## BE FAIR

To your teeth and you shall be doubly fair. Neglect your teeth and your claims to beauty will count for naught. Sweet breath and white teeth are heralds of refinement everywhere. But don't be unfair to your teeth while trying to be fair. Don't use a dentifrice that will harm while it whitens.

### Boles' Antiseptic Tooth Powder

Does all that any dentifrice can, and it could not harm in a hundred years. Its antiseptic quality is its distinctive feature. It prevents decay, it kills the germ that destroys the enamel, it removes tartar and sweetens the breath.

Price 15 and 25c.
